The Shack is famous for serving the freshest seafood, premium steaks, and the finest wines. After over forty years, dozens of hurricanes and thousands of satisfied guests, The Shack still prides itself on having preserved the old Florida riverfront charm and invites you, once again, to become a guest of the Zemkoski family. The view is still majestic, the food still superbly prepared, and the prices are still realistic. | Add Photo Menu See Menu Write a Review for The Shack Seafood Restaurant 12/15/2021 - MenuPix User 08/15/2021 - MenuPix User 02/24/2021 - MenuPix User Ate there with friends the other day. It was busy, as expected on a Sunday afternoon. The plexiglass panels were up on the patio but don't go to the floor at the north end. They do at the south end! This creates a very cold draft. When we asked if a heater could be moved to our freezing table we were told they were out of propane. Food was good but with no presentation. For the prices charged, they can (and HAVE DONE) do better. Men's room urinal is moldy and falling off the wall. If a restaurant is charging \$44 for rack of lamb, they cannot have this!! 08/17/2020 - MenuPix User 01/11/2020 - MenuPix User 3 Reviews 3 reviews with an average rating of 4.5 stars have been consolidated here.
